

**St. Kilian Church
Office of Religious Education
INDEPENDENT STUDY CONTRACT**

We as church are here to meet the needs of you and your child by providing Religious Education classes for children in Kindergarten through 8th.

We as a parish provide classes for each grade at a specific day and time and encourage families to participate in our community Religious Education program. However, recognizing there are conflicts due to work schedules and other activities, we offer an opportunity for families to continue Religious Education in grades 1-8 through an **INDIVIDUAL, parent and child, home-based, INDEPENDENT STUDY PROGRAM.**

Please review the requirements listed below. In order for your child to be enrolled in our **INDEPENDENT STUDY** Religious Education program, please complete, sign and return the attached form to the RE Office **in addition** to the RE registration.

1. Student must be registered in St. Kilian Religious Education Program
2. All appropriate fees must be submitted
3. Explain reason for requesting INDEPENDENT STUDY
4. Work on the **BLEST ARE WE** textbook at home on a regular basis
5. **In January**, call the RE office to set up an appointment for you and your child to come by the office to review completed portion of book
6. Bring completed book to RE Office in May to receive credit for **INDEPENDENT STUDY**

Call our office at any time throughout the year if you have questions, concerns or comments. Also, be sure to check the **RE Calendar**, the parish bulletin or go to our web site, **www.stkilianchurch.org** for activities sponsored by the RE office for you and your child.

We hope this year spent learning more about our faith and sharing your thoughts with your child will be fulfilling for you. We look forward to meeting with you again soon.
